The scores will be punched out to the scores written down by the captains. The game will continue, starting with the same player as when the machine eroded. If the machine still does not work, the team captains will decide to do a make up match, or go to the visiting team's home bar to play the game if they have a board available. In the event you go to the visiting team's home bar, it will be common courtesy to trade the next time you are scheduled to play that team so each location has the benefit of a home game. If neither team's home bar has a board available, captains can decide whether to go to another bar to play or to reschedule. If a player causes the game to tilt (end game), by kicking or slamming on the front of the game, that team will automatically LOSE THAT GAME!
